The screenshot shows the Graphviz website homepage. At the top, there is a navigation bar with links: About, Download (highlighted with a red box), Gallery, Documentation, Theory and Publications, License, Resources, Credits, FAQ, Contact, Twitter, and Issues/Bugs. Below the navigation bar is a large teal banner with the text "Graphviz - Graph Visualization Software" in white. To the left of the text is a small icon of a graph with nodes and edges. Below the banner, the word "Download" is written in large teal letters, and "Source Code" is written in dark blue letters. At the bottom, there is a paragraph of text: "Source code packages for the latest stable and development versions of Graphviz are available, along with instructions for anonymous access to the sources using [Git](#)."
